

# CENTRE FOR ENERGY REGULATION

## 1<sup>st</sup> Regulatory Manthan

on

‘Developing a Multi-year Tariff (MYT) Framework:  
Insights and Discussion on the Draft Regulation of  
Gujarat and Chhattisgarh’

**November 6, 2020 • Friday • 3 – 5 PM**

Launch & Inauguration by

**Mr. P. K. Pujari**

Chairman, Central Electricity Regulatory Commission (CERC)

Closing Ceremony Address by

**Mr. Ghanshyam Prasad**

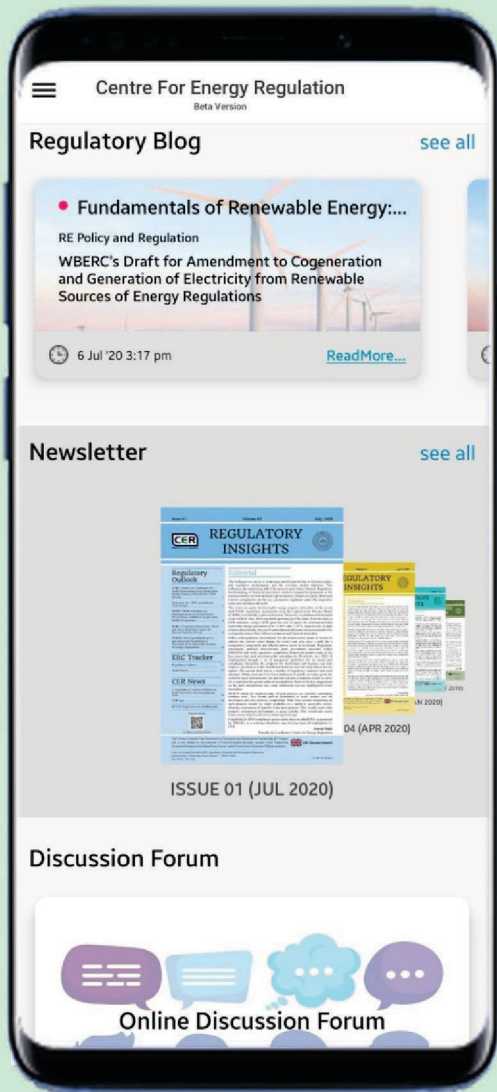

Jt. Sec. (OM, R&R), Ministry of Power

CER launches the Regulatory Manthan (RM), an online forum for discussing regulatory and policy issues related to the power sector. RM aims to discuss and identify national and international best practices, thus enhancing learning and capacity building in the sector.

Participation is open for Electricity Regulatory Commissions. We welcome you to participate and share state-level experiences during the discussion.

### **Registration/ Mode of Discussion**

Registration can be done through CER's App or RM registration portal [cer.iitk.ac.in/RM](http://cer.iitk.ac.in/RM). The mode of discussion will be online. Online meeting link will be shared with the registered participants through email.

### Other Initiatives

## About CER

The Centre of Energy Regulation is an endeavour towards comprehensive and sustained institutional strengthening in the Indian power sector. It is an initiative led by the Department of Industrial and Management Engineering at IIT Kanpur, which has been actively engaged in education, research, capacity building, consulting and policy advisory related to power sector. The centre will work in close cooperation with key stakeholders in the Indian power sector, particularly the Electricity Regulatory Commission.
